RE: Response of Real Time Resolutions, Inc. to Ronald Edwards' Consumer Complaint

Dear Liqi Liang-Pugliano,

Please allow this letter to serve as the response of Real Time Resolutions, Inc. ("**RTR**") to the complaint submitted to your office by Mr. Ronald Edwards, which is detailed in a letter from your office dated July 2, 2026 (the "**Complaint**"). RTR is committed to customer service and hopes that this response addresses the concerns raised in the Complaint.

At the outset, RTR believes that the Complaint contains significant and material factual misstatements. To clarify, RTR began servicing Mr. Edwards' mortgage loan in August 2010 and notified him in writing of the change of loan servicer at that time. In the subsequent sixteen years, Mr. Edwards has not made a mortgage payment – in any amount – to RTR despite numerous notices, statements, correspondence, and telephone calls. Repeated efforts by RTR's staff to engage with Mr. Edwards were entirely fruitless; Mr. Edwards persisted in rebuffing these overtures in favor of a campaign entirely evading his payment obligations. Despite this conduct, Mr. Edwards is now belatedly complaining about the interest balance on a loan that he knowingly disregarded. Instead, he seeks to repay less than 75% of the loan's principal balance without explanation or justification. Regrettably, and for the additional reasons set forth below, Mr. Edwards's nonpayment strategy and actions – and inaction – are undeserving of the discounted payoff he has offered to RTR.

In the Complaint, Mr. Edwards first contends that while RTR validated the principal balance and late fee balance of the subject loan in response to his recent validation request, RTR failed to validate the accrued interest balance. RTR respectfully disagrees. Enclosed is Mr. Edwards' February 25, 2026 email to RTR and RTR's March 4, 2026 email to Mr. Edwards in response. As you can see, RTR provided a copy of the subject promissory note and a temporary statement reflecting an interest rate of 12.75%. Interest accrued pursuant to the terms of the promissory note. RTR also invited Mr. Edwards to clarify the amounts he believed to be "improperly assessed or inflated." For the avoidance of doubt and to provide added clarity to Mr. Edwards, enclosed is a spreadsheet reflecting the accrual of interest on his account pursuant to the terms of his promissory note through July 29, 2026. As you can see, because Mr. Edwards has not made a payment on this loan since 2010, despite RTR's communication efforts detailed herein, the accrued interest balance is considerable.

The Complaint continues by stating that Mr. Edwards made an offer of \$30,000.00 to settle the balance of this loan. RTR does not possess a record of Mr. Edwards submitting an offer of \$30,000. Rather, enclosed is email correspondence sent by Mr. Edwards to RTR on March 23, 2026, and June 2, 2026. As you can see, these communications request RTR to provide a proposed settlement amount and altogether disregard RTR's request from its March 4, 2026 letter that Mr. Edwards clarify the amounts he believed to be "improperly assessed or inflated." Mr. Edwards has also declined to submit a loss mitigation application to RTR. Enclosed is a blank loss mitigation application sent to Mr. Edwards on March 23, 2026. RTR remains willing to consider Mr. Edwards for loss mitigation options, including a reduced payoff, but first requests that, like borrowers of other RTR-serviced loans, Mr. Edwards complete and return the enclosed loss mitigation application. RTR also again invites Mr. Edwards to clarify the portion of his loan balance that he believes is incorrect.

Next, the Complaint details the circumstances surrounding the origination of the subject loan in 2007 and alleged misrepresentations made by the original lender at that time. Unfortunately, RTR was not involved in the origination of this loan and cannot comment on any alleged misrepresentations made by the original lender, which is a separate entity, because RTR does not have any additional information about this issue.

Mr. Edwards asserts that he did not receive any correspondence from the prior servicer regarding this loan, although he continued to make payments during that time. Mr. Edwards admits receiving correspondence from RTR in 2010, when RTR first obtained the servicing rights to his loan, but states that subsequent correspondence has been "intermittent and irregular," that "he has not consistently received billing statements," and that he was not given any opportunity prior to April 2022 to consider any sort of loss mitigation or repayment options. Unfortunately, RTR does not possess copies of any correspondence sent by the prior servicer. Otherwise, RTR respectfully disagrees with Mr. Edwards' claims. As referenced in RTR's March 4, 2026 letter, RTR made contact with Mr. Edwards roughly fifteen (15) times in 2011 and 2012. In response to one such conversation, RTR sent Mr. Edwards the enclosed December 19, 2012 letter.

While RTR and Mr. Edwards did not speak by telephone regularly thereafter, RTR routinely sent Mr. Edwards written correspondence, including monthly billing statements from February 2014 through February 2022 and from December 2024 to the present. RTR also sent early intervention letters to Mr. Edwards twice per year from 2014 to present, which invited him to contact RTR to discuss available repayment options. Enclosed is a representative copy of one such letter from April 2015. In total, RTR sent Mr. Edwards twenty-four (24) letters inviting him to contact RTR to discuss loss mitigation options. Unfortunately, Mr. Edwards did not contact RTR to resolve the balance of the loan until his recent refinance efforts in late 2025 and early 2026.

The Complaint requests that RTR accept Mr. Edwards' offer of \$30,000 or produce underlying documentation concerning the circumstances outlined in the Complaint, including the mortgage origination file, assignments, loss mitigation efforts, payment history documents, and documentation related to foreclosure and M.G.L. c. 244 § 35B. Especially under the circumstances that included RTR's unilateral attempts over the years to engage with Mr. Edwards and seek accommodation – efforts that were not reciprocated much less responded to – accepting Mr. Edwards's offer would not constitute a fair or equitable settlement. As stated above, RTR again invites Mr. Edwards to submit a loss mitigation application and identify the portion of the loan balance, if any, that he contends is incorrect in any way, particularly after reviewing this response and the enclosed documentation.

In response to your office's request for underlying documentation, enclosed are copies of the subject promissory note, the subject mortgage, and payment history documentation. While the subject mortgage has not been assigned and remains in the name of Mortgage Electronic Registration Systems, Inc. ("MERS") as nominee, enclosed is a screenshot from the MERS System reflecting RTR's status as the servicer of the subject loan. Please note that RTR has at no time during the entire course of its tenure servicing the loan made any efforts to foreclose on Mr. Edwards's loan.

RTR trusts that this response is helpful and provides clarity to the issues that have been raised. Please do not hesitate to contact RTR with any questions.

Sincerely,

Samuel Trakhtenbroit
Senior Corporate Counsel

To: Real Time Resolutions

To Whom It May Concern:

This letter constitutes a formal demand for relief pursuant to **Massachusetts General Laws Chapter 93A, Section 9**, and a **request for debt validation under the Fair Debt Collection Practices Act (FDCPA), 15 U.S.C. § 1692g**.

I am writing regarding the second mortgage loan associated with my property, originally obtained around 2006, which your agency is currently attempting to collect. The balance now claimed exceeds \$130,000, although the original principal balance was approximately \$40,000.

Background

During the economic downturn in 2009–2010, I contacted my original loan servicer in an effort to responsibly manage my mortgage and seek a loan modification. At that time, I was advised by representatives of the servicer that to qualify for a modification, I would need to allow the first or second mortgage to become delinquent. Relying on this guidance, I withheld payments on the second mortgage.

I was not provided clear documentation that the second mortgage would remain fully due outside the modification process. Subsequently, the second mortgage was placed into collections. My attempts to clarify the account status were not met with adequate documentation or explanation.

Alleged Unfair and Deceptive Practices

The following actions constitute unfair or deceptive acts under Chapter 93A:

1. Advising me to intentionally default to qualify for loan modification.
2. Failing to clearly disclose the status of the second mortgage during the modification process.
3. Allowing interest, fees, and charges to accrue in a manner that inflated the balance from \$40,000 to over \$130,000 without sufficient explanation.

4. Attempting to collect amounts beyond what is legally owed, over a decade after the alleged default.
5. Failing to provide proper documentation proving your authority to collect on this debt, including the chain of assignment from the original lender.

Demand for Relief

Within **thirty (30) days** of receipt of this letter, I demand that you:

1. Provide **complete debt validation** under FDCPA, including:
 - The original loan agreement.
 - A full accounting of all principal, interest, fees, and collection costs.
 - Documentation of your authority to collect, including the chain of assignment.
2. Cease all collection activity on any improperly assessed or inflated amounts.
3. Provide a **reasonable settlement offer** reflecting the legitimate balance owed, with any improperly added charges removed.

Failure to comply may result in a Chapter 93A claim for **actual and multiple damages, attorney's fees, and costs**, in addition to any remedies available under the FDCPA.

This letter is sent in good faith and should not be construed as an admission of liability or acknowledgment of the validity of the claimed amount.

I look forward to your timely response.

Sincerely,
Ronald Edwards

Edwards - MIN Report.pdf; 0031661366 11.18.25 Letter.pdf;

Mr. Edwards,

Real Time Resolutions, Inc. ("RTR") is in receipt of your recent correspondence relating to your junior mortgage loan. Below, I will summarize your letter and respond to same.

In your letter, you state that you were told by your prior servicer to stop payments on both of your mortgage loans to qualify for a modification. Thereafter, your junior mortgage loan was placed into collections and you state that you have not received an adequate explanation or adequate documentation relating to the junior mortgage. You believe that this conduct, as well as the accrual of interest and other amounts since that time, is unfair and deceptive under Massachusetts law. As a result, your letter makes three requests. RTR will respond below.

First, RTR was not involved in the modification of your senior mortgage loan and unfortunately has no knowledge of any statements or representations made at that time or during the modification process. RTR began servicing your junior mortgage loan in August 2010. RTR's records indicate that it spoke to you roughly 15 times from 2011 to 2012. RTR's records indicate that it advised you of the status of the junior loan during those calls. RTR did not speak to you again until March 2017; again, RTR advised you that the junior mortgage loan was not included in any modification. RTR has also regularly sent you written correspondence over the years, including monthly billing statements.

I will now turn to the requests in your letter. First, you ask for validation of this debt, including the original loan agreement, an accounting, and documentation of RTR's authority to collect, including chain of assignment. Enclosed is RTR's letter dated November 18, 2025, which provided you with copies of the subject promissory note, subject mortgage, payment history documentation, and RTR's servicing transfer notice. While RTR does not possess any additional servicing transfer notices, enclosed is a screenshot of the data from Mortgage Electronic Registration Systems, Inc. ("MERS"), which contains information about servicing transfers documented in the MERS System.

The second and third requests ask RTR to cease collection activity on all improperly assessed or inflated amounts and to provide a reasonable settlement offer. Your inquiry does not specify which amounts you believe are inflated, and whether your belief is changed by the facts provided above. With respect to a settlement offer, please advise RTR if you are looking for a payment plan (long-term or short-term) or a short payoff of the subject loan. After I receive this additional information, we can discuss a potential settlement offer.

Let me know if you have any other questions.

Respectfully,
Sam

Dear RONALD EDWARDS:

This letter is in response to your previous inquiry regarding the above-referenced account. We would like to thank you for taking the time to contact Real Time Resolutions, Inc. ("RTR"), and we appreciate your patience while awaiting our response.

Summary of Inquiry:

You requested validation of the above referenced account. You further allege the account was included in a modification you completed on your first mortgage and claim that this balance is no longer owed. Finally, you requested documentation pertaining to the account and dispute the way RTR is reporting on your credit profile.

Response:

Please be advised that typically a modification is completed on a single loan and alters the repayment terms set forth in the original promissory note. Because we are currently servicing your second mortgage on the property located at 58 Allen Street, Randolph, MA 02368,, we cannot speak as to how your first mortgage may have been affected by any modification. At this time, we do not possess documentation to indicate that your account with RTR was modified. If you possess documentation to support your claim, please forward a copy so that we may research this matter further. It is our position that this account remains outstanding.

Please note that RTR follows applicable law and guidelines when determining how and when to submit account information to the credit reporting agencies. Presently, RTR is not furnishing credit information with respect to your account.

(continued)

We have reviewed your account and are unable to validate your claim that RTR is reporting this account on your credit profile. If you believe this information is inaccurate, please provide documentation supporting your claim so that we may research this matter further.

Regarding your request for all copies of correspondence pertaining to both of your mortgages, RTR believes this request is overbroad and unduly burdensome. Additionally, RTR does not possess any documents in relation to your primary mortgage, as we are not servicing that account. If there is a specific document, category of documents, time period, or topic for which you are seeking clarification, please communicate such to RTR to allow us to narrow our search. However for your reference, we have enclosed the following documents:

- A copy of the Mortgage Collection, Processing, and Reporting Transfer Notification letter dated 08/03/2010;
- A copy of the signed Balloon Note bearing your signature and detailing your promise to pay a specific sum under explicit terms;
- A copy of the signed Mortgage, the instrument that secures the loan to the associated property;
- A temporary billing statement, outlining the current balance owed on this account; and
- Copies of payment history prior to and including RTR's service. Please be advised RTR does not possess payment history beyond what we are providing, but will provide supplemental documents in the event they become available.

RTR considers its data and system of record to be confidential and proprietary and does not believe it is under any obligation to provide this information. Additionally, please be advised that a lien was placed on the subject property when the loan originated on 03/09/2007, and may only be removed through satisfaction of the balance. Finally, RTR cannot speak to any allegations regarding your primary mortgage servicer and any advice you may have received during their modification process, as RTR is a wholly separate entity and was not involved.

RTR is committed to customer service and hopes this correspondence addresses your concerns. Should you have any further questions, please contact us at **1-877-599-7334**

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ 44,330.00 ^{2E} (this amount is called "Principal"), plus interest, to the order of Lender. Lender is American Brokers Conduit

I will make all payments under this Note in the form of cash, check or money order.

I understand that Lender may transfer this Note. Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 12.750 %.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payments on the 1st day of each month beginning on May 1, 2007

I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on April 1, 2022, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at PO Box 660029, Dallas, TX 75266-0029

or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$ 481.73

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under this Note.

I may make a full Prepayment or partial Prepayments without paying any Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount before applying my Prepayment to reduce the Principal amount of this Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me that exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 3.000 % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses that might result if I do not keep the promises that I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

2. **Funds for Taxes and Insurance.** Subject to applicable law or a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments of principal and interest are payable under the Note, until the Note is paid in full, a sum (herein "Funds") equal to one-twelfth of the yearly taxes and assessments (including condominium and planned unit development assessments, if any) which may attain priority over this Mortgage and ground rents on the Property, if any, plus one-twelfth of yearly premium installments for hazard insurance, plus one-twelfth of yearly premium installments for mortgage insurance, if any, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. Borrower shall not be obligated to make such payments of Funds to Lender to the extent that Borrower makes such payments to the holder of a prior mortgage or deed of trust if such holder is an institutional lender.

If Borrower pays Funds to Lender, the Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, analyzing said account or verifying and compiling said assessments and bills, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Mortgage that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Mortgage, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 17 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Mortgage.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, then to interest payable on the Note, and then to the principal of the Note.

4. **Prior Mortgages and Deeds of Trust; Charges; Liens.** Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage, including Borrower's covenants to make payments when due. Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Mortgage, and leasehold payments or ground rents, if any.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and such other hazards as Lender may require and in such amounts and for such periods as Lender may require.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Mortgage.

6. **Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments.** Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Mortgage is on a leasehold. If this Mortgage is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.

7. **Protection of Lender's Security.** If Borrower fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums, including reasonable attorneys' fees, and take such action as is necessary to protect Lender's interest. If Lender required mortgage insurance as a condition of making the loan secured by this Mortgage, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

Any amounts disbursed by Lender pursuant to this paragraph 7, with interest thereon, at the Note rate, shall become additional indebtedness of Borrower secured by this Mortgage. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder.

8. **Inspection.** Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefor related to Lender's interest in the Property.

9. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage.

10. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Mortgage granted by Lender to any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Mortgage by reason of any demand made by the original Borrower and Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver or preclude the exercise of any such right or remedy.

11. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 16 hereof. All covenants and agreements of Borrower shall be joint and several. Any Borrower who co-signs this Mortgage, but does not execute the Note, (a) is co-signing this Mortgage only to mortgage, grant and convey that Borrower's interest in the Property to Lender under the terms of this Mortgage, (b) is not personally liable on the Note or under this Mortgage, and (c) agrees that Lender and any other Borrower hereunder may agree to extend, modify, forbear, or make any other accommodations with regard to the terms of this Mortgage or the Note without that Borrower's consent and without releasing that Borrower or modifying this Mortgage as to that Borrower's interest in the Property.

12. **Notice.** Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Mortgage shall be given by delivering it or by mailing such notice by certified mail addressed to Borrower at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by certified mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Mortgage shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

13. **Governing Law; Severability.** The state and local laws applicable to this Mortgage shall be the laws of the jurisdiction in which the Property is located. The foregoing sentence shall not limit the applicability of federal law to this Mortgage. In the event that any provision or clause of this Mortgage or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Mortgage or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Mortgage and the Note are declared to be severable. As used herein, "costs," "expenses" and "attorneys' fees" include all sums to the extent not prohibited by applicable law or limited herein.

14. **Borrower's Copy.** Borrower shall be furnished a conformed copy of the Note and of this Mortgage at the time of execution or after recordation hereof.

15. **Rehabilitation Loan Agreement.** Borrower shall fulfill all of Borrower's obligations under any home rehabilitation, improvement, repair, or other loan agreement which Borrower enters into with Lender. Lender, at Lender's option, may require Borrower to execute and deliver to Lender, in a form acceptable to Lender, an assignment of any rights, claims or defenses which Borrower may have against parties who supply labor, materials or services in connection with improvements made to the Property.

16. **Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Mortgage. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Mortgage.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Mortgage. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Mortgage without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

17. **Acceleration; Remedies.** Except as provided in paragraph 16 hereof, upon Borrower's breach of any covenant or agreement of Borrower in this Mortgage, including the covenants to pay when due any sums secured by this Mortgage, Lender prior to acceleration shall give notice to Borrower as provided in paragraph 12 hereof specifying: (1) the breach; (2) the action required to cure such breach; (3) a date, not less than 10 days from the date the notice is mailed to Borrower, by which such breach must be cured; and (4) that failure to cure such breach on or before the date specified in the notice may result in acceleration of the sums secured by this Mortgage and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the nonexistence of a default or any other defense of Borrower to acceleration and sale. If the breach is not cured on or before the date specified in the notice, Lender, at Lender's option, may declare all of the sums secured by this Mortgage to be immediately due and payable without further demand and may invoke the STATUTORY POWER OF SALE and any other remedies permitted by applicable law. Lender shall be entitled to collect all reasonable costs and expenses incurred in pursuing the remedies provided in this paragraph 17, including, but not limited to, reasonable attorneys' fees.

If Lender invokes the STATUTORY POWER OF SALE, Lender shall mail a copy of a notice of sale to Borrower, and to any other person required by applicable law, in the manner provided by applicable law. Lender shall publish the notice of sale and the Property shall be sold in the manner prescribed by applicable law. Lender or Lender's designee may purchase the Property at any sale. The proceeds of the sale shall be applied in the following order: (a) to all reasonable costs and expenses of the sale, including reasonable attorneys' fees and costs of title evidence; (b) to all sums secured by this Mortgage; and (c) the excess, if any, to the person or persons legally entitled thereto.

18. **Borrower's Right to Reinstate.** Notwithstanding Lender's acceleration of the sums secured by this Mortgage due to Borrower's breach, Borrower shall have the right to have any proceedings begun by Lender to enforce this Mortgage discontinued at any time prior to the earlier to occur of (i) sale of the Property pursuant to the power of sale contained in this Mortgage or (ii) entry of a judgment enforcing this Mortgage if: (a) Borrower pays Lender all sums which would be then due under this Mortgage and the Note had no acceleration occurred; (b) Borrower cures all breaches of any other covenants or agreements of Borrower contained in this Mortgage; (c) Borrower pays all reasonable expenses incurred by Lender in enforcing the covenants and agreements of Borrower contained in this Mortgage, and in enforcing Lender's remedies as provided in paragraph 17 hereof, including, but not limited to, reasonable attorneys' fees; and (d) Borrower takes such action as Lender may reasonably require to assure that the lien of this Mortgage, Lender's interest in the Property and Borrower's obligation to pay the sums secured by this Mortgage shall continue unimpaired. Upon such payment and cure by Borrower, this Mortgage and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred.

19. **Assignment of Rents; Lender in Possession.** As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 17 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable.

Upon acceleration under paragraph 17 hereof or abandonment of the Property, Lender shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by

Lender shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, reasonable attorneys' fees, and then to the sums secured by this Mortgage. Lender shall be liable to account only for those rents actually received.

20. Release. Upon payment of all sums secured by this Mortgage, Lender shall discharge this Mortgage without cost to Borrower. Borrower shall pay all costs of recordation, if any.

REQUEST FOR NOTICE OF DEFAULT
AND FORECLOSURE UNDER SUPERIOR
MORTGAGES OR DEEDS OF TRUST

Borrower and Lender request the holder of any mortgage, deed of trust or other encumbrance with a lien which has priority over this Mortgage to give Notice to Lender, at Lender's address set forth on page one of this Mortgage, of any default under the superior encumbrance and of any sale or other foreclosure action.

IN WITNESS WHEREOF, Borrower has executed this Mortgage under Seal.

You have the right to make a written or oral request that telephone calls regarding your debt not be made to you at your place of employment. Any such oral request will be valid for only ten (10) days unless you provide written confirmation of the request postmarked or delivered within seven (7) days of such request. You may terminate this request by writing to the debt collector.

The legal time limit (statute of limitations) for suing you to collect all or a portion of this debt may have expired. It is a violation of the Fair Debt Collection Practices Act, 15 U.S.C. § 1692 et seq., to sue to collect on all or a portion of a debt for which the statute of limitations has expired.

Even if the statute of limitations has expired, you may choose to make payments on the debt. However, please be aware that if you make a payment on the debt, admit to owing the debt, promise to pay the debt, and/or waive the statute of limitations on the debt, the time period in which all or a portion of the debt is enforceable in court may start again. If you would like to learn more about your legal rights and options, you can consult an attorney or a legal assistance or legal aid organization.

If you would like mortgage counseling or assistance, you can find a list of counselors in your area by calling the U.S. Department of Housing and Urban Development at 1-800-569-4287 or visiting their website at www.hud.gov. COLLECTION AGREEMENT

This COLLECTION AGREEMENT (this "Agreement") is dated as of this 19th day of August, 2008, by and between American Home Mortgage Servicing, Inc., a Delaware corporation, as servicer (the "Servicer"), and Real Time Resolutions, Inc., a Texas corporation, as collection contractor (the "Contractor").

BACKGROUND

A. The Servicer services certain mortgage loans owned by Owners.

B. While the Servicer has no continuing obligation to pursue collection activities with respect to Liquidated Loans (as defined herein), the Servicer wishes to engage the Contractor to perform such activities to benefit the related Owner, and the Contractor wishes to accept such engagement.

C. The Servicer is entering into this Agreement to retain the Contractor as its "sub-contractor" with respect to the collection and recovery responsibilities of the Liquidated Loans in accordance with the terms contained herein, provided that as between the Servicer and the Contractor, from and after the related Transfer Date (as defined below) (i) the Servicer has no liability with respect to the Contractor or the collection and recovery responsibilities with respect to the Liquidated Loans, except as provided herein and (ii) the Contractor shall be solely responsible for performing the collection services in accordance with the terms and conditions of this Agreement.

NOW, THEREFORE, the parties agree as follows:

ARTICLE I.

As used in this Agreement, the following words, phrases and acronyms shall have the following meanings, unless the context clearly and specifically requires otherwise:

1.1 "Ancillary Charges" shall mean reasonable attorneys' fees, consulting fees, contractor fees, Filing Costs, or similar types of costs incurred, in Contractor's sole discretion, to collect a Liquidated Loan. Ancillary Charges shall be allocable to all Liquidated Loans owned by a particular Owner for which the Contractor has Obligations and recovered solely from Proceeds associated with any Loans owned by such Owner; provided, however, that the amount of Ancillary Charges recovered from Proceeds associated with any Owner in any Billing Cycle shall not exceed ~~XXXXXXXXXXXX~~ of such Proceeds in such Billing Cycle. Any unrecovered Ancillary Charges may, however, be recouped from any subsequent Billing Cycle, to the extent Ancillary Charges incurred in such subsequent is below the ~~XXXXXXXXXXXX~~ threshold.

customary reports reconciling the Proceeds, Ancillary Charges, Net Recoveries, Fees, the Servicer Portion and remaining Proceeds collected and paid with respect to each Liquidated Loan. In addition, upon written request from the Servicer, the Contractor shall provide information regarding (i) the status of negotiations or litigation with respect to any Liquidated Loan, and (ii) the amount collected by the Contractor with respect to such matter as of the end of the preceding calendar month. In addition, the Contractor shall promptly provide the Servicer with any information (including copies of any legal motions, filings and memoranda and other documents) requested by the Servicer in connection with the Obligations or any Liquidated Loan for which the Obligations have been assigned to the Contractor hereunder.

3.3 Advance and Expense Obligations. Subject to its obligations pursuant to Section 3.1(a), the Contractor's obligations to incur Ancillary Charges with respect to the Liquidated Loans shall be completely at the discretion of the Contractor. Any Ancillary Charges made by the Contractor shall be made for the purpose of potentially collecting Proceeds from a Borrower or other party with respect to a Liquidated Loan. Such Ancillary Charges shall be made out of the Contractor's funds that are segregated from the Contractor Recovery Account.

3.4 Title to the Liquidated Loans. Title to the Liquidated Loans shall continue to be held by each Owner. However, the Servicer hereby assigns to the Contractor the authority that the Servicer possesses under the applicable Servicing Agreement to defer, waive, release, sell, assign, forgive or vary the terms of any Liquidated Loan, or any Liquidated Loan payments, collateral or any attributes relating to any Liquidated Loan with respect to which the Contractor has Obligations.

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ 44,330.00 ^{2E} (this amount is called "Principal"), plus interest, to the order of Lender. Lender is American Brokers Conduit

I will make all payments under this Note in the form of cash, check or money order.

I understand that Lender may transfer this Note. Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 12.750%.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payments on the 1st day of each month beginning on May 1, 2007

I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on April 1, 2022, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at PO Box 660029, Dallas, TX 75266-0029

or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$ 481.73

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under this Note.

I may make a full Prepayment or partial Prepayments without paying any Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount before applying my Prepayment to reduce the Principal amount of this Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me that exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 3.000 % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses that might result if I do not keep the promises that I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

2. **Funds for Taxes and Insurance.** Subject to applicable law or a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments of principal and interest are payable under the Note, until the Note is paid in full, a sum (herein "Funds") equal to one-twelfth of the yearly taxes and assessments (including condominium and planned unit development assessments, if any) which may attain priority over this Mortgage and ground rents on the Property, if any, plus one-twelfth of yearly premium installments for hazard insurance, plus one-twelfth of yearly premium installments for mortgage insurance, if any, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. Borrower shall not be obligated to make such payments of Funds to Lender to the extent that Borrower makes such payments to the holder of a prior mortgage or deed of trust if such holder is an institutional lender.

If Borrower pays Funds to Lender, the Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, analyzing said account or verifying and compiling said assessments and bills, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Mortgage that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Mortgage, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 17 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Mortgage.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, then to interest payable on the Note, and then to the principal of the Note.

4. **Prior Mortgages and Deeds of Trust; Charges; Liens.** Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage, including Borrower's covenants to make payments when due. Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Mortgage, and leasehold payments or ground rents, if any.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and such other hazards as Lender may require and in such amounts and for such periods as Lender may require.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Mortgage.

6. **Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments.** Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Mortgage is on a leasehold. If this Mortgage is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.

7. **Protection of Lender's Security.** If Borrower fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums, including reasonable attorneys' fees, and take such action as is necessary to protect Lender's interest. If Lender required mortgage insurance as a condition of making the loan secured by this Mortgage, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

Any amounts disbursed by Lender pursuant to this paragraph 7, with interest thereon, at the Note rate, shall become additional indebtedness of Borrower secured by this Mortgage. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder.

8. **Inspection.** Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefor related to Lender's interest in the Property.

9. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage.

10. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Mortgage granted by Lender to any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Mortgage by reason of any demand made by the original Borrower and Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver or preclude the exercise of any such right or remedy.

11. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 16 hereof. All covenants and agreements of Borrower shall be joint and several. Any Borrower who co-signs this Mortgage, but does not execute the Note, (a) is co-signing this Mortgage only to mortgage, grant and convey that Borrower's interest in the Property to Lender under the terms of this Mortgage, (b) is not personally liable on the Note or under this Mortgage, and (c) agrees that Lender and any other Borrower hereunder may agree to extend, modify, forbear, or make any other accommodations with regard to the terms of this Mortgage or the Note without that Borrower's consent and without releasing that Borrower or modifying this Mortgage as to that Borrower's interest in the Property.

12. **Notice.** Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Mortgage shall be given by delivering it or by mailing such notice by certified mail addressed to Borrower at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by certified mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Mortgage shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

13. **Governing Law; Severability.** The state and local laws applicable to this Mortgage shall be the laws of the jurisdiction in which the Property is located. The foregoing sentence shall not limit the applicability of federal law to this Mortgage. In the event that any provision or clause of this Mortgage or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Mortgage or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Mortgage and the Note are declared to be severable. As used herein, "costs," "expenses" and "attorneys' fees" include all sums to the extent not prohibited by applicable law or limited herein.

14. **Borrower's Copy.** Borrower shall be furnished a conformed copy of the Note and of this Mortgage at the time of execution or after recordation hereof.

15. **Rehabilitation Loan Agreement.** Borrower shall fulfill all of Borrower's obligations under any home rehabilitation, improvement, repair, or other loan agreement which Borrower enters into with Lender. Lender, at Lender's option, may require Borrower to execute and deliver to Lender, in a form acceptable to Lender, an assignment of any rights, claims or defenses which Borrower may have against parties who supply labor, materials or services in connection with improvements made to the Property.

16. **Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Mortgage. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Mortgage.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Mortgage. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Mortgage without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

17. **Acceleration; Remedies.** Except as provided in paragraph 16 hereof, upon Borrower's breach of any covenant or agreement of Borrower in this Mortgage, including the covenants to pay when due any sums secured by this Mortgage, Lender prior to acceleration shall give notice to Borrower as provided in paragraph 12 hereof specifying: (1) the breach; (2) the action required to cure such breach; (3) a date, not less than 10 days from the date the notice is mailed to Borrower, by which such breach must be cured; and (4) that failure to cure such breach on or before the date specified in the notice may result in acceleration of the sums secured by this Mortgage and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the nonexistence of a default or any other defense of Borrower to acceleration and sale. If the breach is not cured on or before the date specified in the notice, Lender, at Lender's option, may declare all of the sums secured by this Mortgage to be immediately due and payable without further demand and may invoke the STATUTORY POWER OF SALE and any other remedies permitted by applicable law. Lender shall be entitled to collect all reasonable costs and expenses incurred in pursuing the remedies provided in this paragraph 17, including, but not limited to, reasonable attorneys' fees.

If Lender invokes the STATUTORY POWER OF SALE, Lender shall mail a copy of a notice of sale to Borrower, and to any other person required by applicable law, in the manner provided by applicable law. Lender shall publish the notice of sale and the Property shall be sold in the manner prescribed by applicable law. Lender or Lender's designee may purchase the Property at any sale. The proceeds of the sale shall be applied in the following order: (a) to all reasonable costs and expenses of the sale, including reasonable attorneys' fees and costs of title evidence; (b) to all sums secured by this Mortgage; and (c) the excess, if any, to the person or persons legally entitled thereto.

18. **Borrower's Right to Reinstate.** Notwithstanding Lender's acceleration of the sums secured by this Mortgage due to Borrower's breach, Borrower shall have the right to have any proceedings begun by Lender to enforce this Mortgage discontinued at any time prior to the earlier to occur of (i) sale of the Property pursuant to the power of sale contained in this Mortgage or (ii) entry of a judgment enforcing this Mortgage if: (a) Borrower pays Lender all sums which would be then due under this Mortgage and the Note had no acceleration occurred; (b) Borrower cures all breaches of any other covenants or agreements of Borrower contained in this Mortgage; (c) Borrower pays all reasonable expenses incurred by Lender in enforcing the covenants and agreements of Borrower contained in this Mortgage, and in enforcing Lender's remedies as provided in paragraph 17 hereof, including, but not limited to, reasonable attorneys' fees; and (d) Borrower takes such action as Lender may reasonably require to assure that the lien of this Mortgage, Lender's interest in the Property and Borrower's obligation to pay the sums secured by this Mortgage shall continue unimpaired. Upon such payment and cure by Borrower, this Mortgage and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred.

19. **Assignment of Rents; Lender in Possession.** As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 17 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable.

Upon acceleration under paragraph 17 hereof or abandonment of the Property, Lender shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by

Lender shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, reasonable attorneys' fees, and then to the sums secured by this Mortgage. Lender shall be liable to account only for those rents actually received.

20. Release. Upon payment of all sums secured by this Mortgage, Lender shall discharge this Mortgage without cost to Borrower. Borrower shall pay all costs of recordation, if any.

REQUEST FOR NOTICE OF DEFAULT

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ 44,330.00 ^{2E} (this amount is called "Principal"), plus interest, to the order of Lender. Lender is American Brokers Conduit

I will make all payments under this Note in the form of cash, check or money order.

I understand that Lender may transfer this Note. Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 12.750 %.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payments on the 1st day of each month beginning on May 1, 2007

I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on April 1, 2022, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at PO Box 660029, Dallas, TX 75266-0029

or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$ 481.73

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under this Note.

I may make a full Prepayment or partial Prepayments without paying any Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount before applying my Prepayment to reduce the Principal amount of this Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me that exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 3.000 % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses that might result if I do not keep the promises that I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

rents, all of which shall be deemed to be and remain a part of the property covered by this Mortgage; and all of the foregoing,
together with said property (or the leasehold estate if this Mortgage is on a leasehold) are hereinafter referred to as the "Property."
Borrower understands and agrees that MERS holds only legal title to the interests granted by Borrower in this Mortgage; but, if
necessary to comply with law or custom, MERS, (as nominee for Lender and Lender's successors and assigns), has the right to
exercise any or all of those interests, including, but not limited to, the right to foreclose and sell the Property; and to take any action
required of Lender including, but not limited to, releasing or canceling this Mortgage.

Borrower covenants that Borrower is lawfully seised of the estate hereby conveyed and has the right to mortgage, grant and
convey the Property, and that the Property is unencumbered, except for encumbrances of record. Borrower covenants that
Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to encumbrances of
record.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest. Borrower shall promptly pay when due the principal and interest indebtedness
evidenced by the Note and late charges as provided in the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments of principal and interest are payable under the Note, until the Note is paid in full, a sum (herein "Funds") equal to one-twelfth of the yearly taxes and assessments (including condominium and planned unit development assessments, if any) which may attain priority over this Mortgage and ground rents on the Property, if any, plus one-twelfth of yearly premium installments for hazard insurance, plus one-twelfth of yearly premium installments for mortgage insurance, if any, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. Borrower shall not be obligated to make such payments of Funds to Lender to the extent that Borrower makes such payments to the holder of a prior mortgage or deed of trust if such holder is an institutional lender.

If Borrower pays Funds to Lender, the Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, analyzing said account or verifying and compiling said assessments and bills, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Mortgage that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Mortgage, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 17 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Mortgage.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, then to interest payable on the Note, and then to the principal of the Note.

4. **Prior Mortgages and Deeds of Trust; Charges; Liens.** Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage, including Borrower's covenants to make payments when due. Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Mortgage, and leasehold payments or ground rents, if any.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and such other hazards as Lender may require and in such amounts and for such periods as Lender may require.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Mortgage.

6. **Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments.** Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Mortgage is on a leasehold. If this Mortgage is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.

7. **Protection of Lender's Security.** If Borrower fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums, including reasonable attorneys' fees, and take such action as is necessary to protect Lender's interest. If Lender required mortgage insurance as a condition of making the loan secured by this Mortgage, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

Any amounts disbursed by Lender pursuant to this paragraph 7, with interest thereon, at the Note rate, shall become additional indebtedness of Borrower secured by this Mortgage. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder.

8. **Inspection.** Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefor related to Lender's interest in the Property.

9. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage.

10. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Mortgage granted by Lender to any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Mortgage by reason of any demand made by the original Borrower and Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver or preclude the exercise of any such right or remedy.

11. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 16 hereof. All covenants and agreements of Borrower shall be joint and several. Any Borrower who co-signs this Mortgage, but does not execute the Note, (a) is co-signing this Mortgage only to mortgage, grant and convey that Borrower's interest in the Property to Lender under the terms of this Mortgage, (b) is not personally liable on the Note or under this Mortgage, and (c) agrees that Lender and any other Borrower hereunder may agree to extend, modify, forbear, or make any other accommodations with regard to the terms of this Mortgage or the Note without that Borrower's consent and without releasing that Borrower or modifying this Mortgage as to that Borrower's interest in the Property.

12. **Notice.** Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Mortgage shall be given by delivering it or by mailing such notice by certified mail addressed to Borrower at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by certified mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Mortgage shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

13. **Governing Law; Severability.** The state and local laws applicable to this Mortgage shall be the laws of the jurisdiction in which the Property is located. The foregoing sentence shall not limit the applicability of federal law to this Mortgage. In the event that any provision or clause of this Mortgage or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Mortgage or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Mortgage and the Note are declared to be severable. As used herein, "costs," "expenses" and "attorneys' fees" include all sums to the extent not prohibited by applicable law or limited herein.

14. **Borrower's Copy.** Borrower shall be furnished a conformed copy of the Note and of this Mortgage at the time of execution or after recordation hereof.

15. **Rehabilitation Loan Agreement.** Borrower shall fulfill all of Borrower's obligations under any home rehabilitation, improvement, repair, or other loan agreement which Borrower enters into with Lender. Lender, at Lender's option, may require Borrower to execute and deliver to Lender, in a form acceptable to Lender, an assignment of any rights, claims or defenses which Borrower may have against parties who supply labor, materials or services in connection with improvements made to the Property.

16. **Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Mortgage. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Mortgage.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Mortgage. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Mortgage without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

17. **Acceleration; Remedies.** Except as provided in paragraph 16 hereof, upon Borrower's breach of any covenant or agreement of Borrower in this Mortgage, including the covenants to pay when due any sums secured by this Mortgage, Lender prior to acceleration shall give notice to Borrower as provided in paragraph 12 hereof specifying: (1) the breach; (2) the action required to cure such breach; (3) a date, not less than 10 days from the date the notice is mailed to Borrower, by which such breach must be cured; and (4) that failure to cure such breach on or before the date specified in the notice may result in acceleration of the sums secured by this Mortgage and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the nonexistence of a default or any other defense of Borrower to acceleration and sale. If the breach is not cured on or before the date specified in the notice, Lender, at Lender's option, may declare all of the sums secured by this Mortgage to be immediately due and payable without further demand and may invoke the STATUTORY POWER OF SALE and any other remedies permitted by applicable law. Lender shall be entitled to collect all reasonable costs and expenses incurred in pursuing the remedies provided in this paragraph 17, including, but not limited to, reasonable attorneys' fees.

If Lender invokes the STATUTORY POWER OF SALE, Lender shall mail a copy of a notice of sale to Borrower, and to any other person required by applicable law, in the manner provided by applicable law. Lender shall publish the notice of sale and the Property shall be sold in the manner prescribed by applicable law. Lender or Lender's designee may purchase the Property at any sale. The proceeds of the sale shall be applied in the following order: (a) to all reasonable costs and expenses of the sale, including reasonable attorneys' fees and costs of title evidence; (b) to all sums secured by this Mortgage; and (c) the excess, if any, to the person or persons legally entitled thereto.

18. **Borrower's Right to Reinstate.** Notwithstanding Lender's acceleration of the sums secured by this Mortgage due to Borrower's breach, Borrower shall have the right to have any proceedings begun by Lender to enforce this Mortgage discontinued at any time prior to the earlier to occur of (i) sale of the Property pursuant to the power of sale contained in this Mortgage or (ii) entry of a judgment enforcing this Mortgage if: (a) Borrower pays Lender all sums which would be then due under this Mortgage and the Note had no acceleration occurred; (b) Borrower cures all breaches of any other covenants or agreements of Borrower contained in this Mortgage; (c) Borrower pays all reasonable expenses incurred by Lender in enforcing the covenants and agreements of Borrower contained in this Mortgage, and in enforcing Lender's remedies as provided in paragraph 17 hereof, including, but not limited to, reasonable attorneys' fees; and (d) Borrower takes such action as Lender may reasonably require to assure that the lien of this Mortgage, Lender's interest in the Property and Borrower's obligation to pay the sums secured by this Mortgage shall continue unimpaired. Upon such payment and cure by Borrower, this Mortgage and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred.

19. **Assignment of Rents; Lender in Possession.** As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 17 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable.

Upon acceleration under paragraph 17 hereof or abandonment of the Property, Lender shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by

Lender shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, reasonable attorneys' fees, and then to the sums secured by this Mortgage. Lender shall be liable to account only for those rents actually received.

20. Release. Upon payment of all sums secured by this Mortgage, Lender shall discharge this Mortgage without cost to Borrower. Borrower shall pay all costs of recordation, if any.

REQUEST FOR NOTICE OF DEFAULT
AND FORECLOSURE UNDER SUPERIOR
MORTGAGES OR DEEDS OF TRUST

Borrower and Lender request the holder of any mortgage, deed of trust or other encumbrance with a lien which has priority over this Mortgage to give Notice to Lender, at Lender's address set forth on page one of this Mortgage, of any default under the superior encumbrance and of any sale or other foreclosure action.

IN WITNESS WHEREOF, Borrower has executed this Mortgage under Seal.
